A note from the Curriculum Office

Information on [\*School Tool Box\*](#)

Dear Parents,

In the words of the great lyricist, Oscar Hammerstein, who wrote, “June is bustin’ out all over”, it’s no surprise that the child in each and every one of us is appreciative that we can take the time to be grateful for all that comes along with summer vacation. Summer offers us opportunities we have at no other time of the year. Yet, it is also a time when our children can reflect upon the fact that they just completed another school year. Over the past 10 months, your child has worked very hard at their studies and learned many things, which they did not know at the start of the school year. Let me be the first to congratulate them on a job well done!

As the school year comes to a close, I want to take this opportunity to wish you and your family a very happy and safe summer. I hope that it is filled with many pleasant experiences that ultimately create an abundance of fond memories. See you in September!

Sincerely,

Ms. D. Cardiello  
Superintendent of Schools

## Message from the Wanaque/Haskell Education Foundation

Wanaque Haskell Education Foundation ("WHEF") is a non-profit, tax-exempt community organization. Since 1997, residents and businesses of our community have collaborated and supported the Wanaque public schools through generous donations to WHEF. WHEF's Board of Directors consists of volunteers who are committed to preserving and strengthening the quality of our schools.

We raise funds throughout the year by seeking contributions from residents, businesses and corporate/private enterprises, who believe that excellent public schools are essential to the social and economic fabric of our community.

WHEF's primary endeavor is to provide grants to Wanaque and Haskell School educators for innovative educational projects at all grade levels. In awarding grants, WHEF works closely with school administrators to fund projects that result in richer and deeper learning experiences and have the potential to impact a large number of students in innovative ways. WHEF is proud to have provided more than \$30,000 in grants over the last three years!

For more information please visit our website [www.wanaquehaskellef.org](http://www.wanaquehaskellef.org) or join us at our next meeting, [September 4, at 7pm](#), in the Haskell School Technology Room.

## A note from the Curriculum Office

Curling up with a good book can be a great way to spend a long summer afternoon. We hope you will help encourage your child to continue to read by visiting the Wanaque School District website where we have posted grade level Summer Reading Packets. The teachers have compiled exciting lists of books, authors and subject ideas that are guaranteed to entice even the most reluctant reader. Brief accompanying Reading Records or projects are also attached. The teacher's look forward to hearing all about your child's reading adventures in September.

Have a safe, restful summer,

Lynda D'Angiolillo  
Director of Curriculum and Instruction

## School Tool Box

The Wanaque and Haskell PTA's along with the Wanaque Haskell Education Foundation are happy to announce that they have partnered to offer parents the opportunity to purchase prepackaged school supplies for the 2014-2015 school year. Orders can be placed online and will be shipped directly to your home. You can simply order from the suggested teacher supply list or customize your order as you see fit if you choose to purchase some items elsewhere.

Participation in this fundraiser is completely optional. Nevertheless, this is a great way to get your shopping done and support your school all with one click of your mouse.

Please look for your flyer in your child's backpack or simply log on to [www.schooltoolbox.com](http://www.schooltoolbox.com) to get started today.
