

Dear Parents,

On **Friday, March 1st at 8 AM**, Wanaque Elementary School Students in **Kindergarten through 3<sup>rd</sup> grade** will be treated to our annual Green Eggs and Ham Breakfast as part of the Dr. Seuss Day/Read Across America Celebration!

The breakfast will consist of **green eggs, ham, fruit cup, biscuit, and juice**. There will be **no charge** to students' courtesy of the **Wanaque School PTA**.

If your child wants to come to this breakfast, **please return the permission slip by Friday, February 23<sup>rd</sup>**. If more students sign up to than we have space for, tickets will be issued in the order in which permission slips were received.

**Because space is limited, it is very important that you do not sign up unless your child intends to come.**

Time is limited, it is very important that students arrive on time to be served at 8 AM on Friday March 1st. Students should be dropped off at the front entrance. Parent and Teacher Volunteers will supervise the students during breakfast and get them to their classes.

**For more information contact**

**Leane Tully (973) 723-1115 (leanetully@gmail.com)**
