

The Wanaque Elementary School

PARENT TEACHER ASSOCIATION MEMBERSHIP FORM

The Wanaque PTA has brought successful programs and opportunities to our school, our staff and most of all our children. Many of you already know the supported programs, such as the outstanding Drama Program, school planners purchased by the PTA, special events such as dances, and after school programs. PTA has also provided a cultural arts program with educational assemblies and helps to finance field trips, all of which are geared to the benefit of the students. It is with parents and teachers working together that we succeed for the betterment of our children's education.

Please complete the attached form and submit with your yearly dues of \$10.00 per member. Since a lot of information and communication is passed along via e-mail, please list your email below and always check out the PTA website for forms and updates at:
