**Five snow/emergency days are included in this calendar.** In the event that fewer than five snow/emergency days are used during the school year, the school calendar will be shortened by those unused days.

Should the district exceed the allotted five emergency closing days, the remaining days will be made up during the **Spring Recess** with the days working backwards, beginning with Friday, April 5, 2013. Therefore, no plans which cannot be changed should be made for the April vacation.

Whenever school is in session during a State-recognized religious holiday, every effort will be made to restrict testing or other major project presentations. Students required to miss school on these days for religious reasons will be counted as excused under the attendance policy and will be given a reasonable amount of time to make up any missed assignments. Prior notice of a religious absence is requested.

**The Superintendent reserves the right to make adjustments to the calendar if deemed necessary.**
